

## Our Registry Picks

There are certain items every home should not be without. Here is our Dream House must-have list.

### The Cookware

The Pampered Chef® Stainless Cookware 7-piece Set gives you what you need for recipe success. No matter if you are cooking for two or hosting your first dinner party, this set will ensure that whatever you are making cooks evenly, quickly. We love the internal marks making measuring easy.

### The Cookbook

The Pampered Chef® 29 Minutes to Dinner Cookbook lets you keep up with your busy lifestyle. In 29 minutes or less, you will have a main dish of poultry, fish and seafood, beef and pork or vegetarian. For the health-conscious bride, they include nutritional information per serving.

The Pampered Chef®  
discover the chef in you™

### The Knives

Forged Carving Set helps makes one part of hosting family at Thanksgiving a breeze. The precision and sharpness of this set will make you or your man look like experienced carvers.

### The Serving Plates

Appetizer Plates and Caddy Set make an immediate impression on your guests. It may be the first time you attempted your mom's recipe, but you'll be confident as you serve it on these stylish, yet practical serving set.

### The Serving Utensils

Everything is set... now let your guests enjoy! The mini servers lets you serve your guests without worrying about scratching your most delicate bowls and dishes.
