### Splitting & Breaking

**The Fix:** Ultra-Hardening, Extra Support

**Smooth.** Gently smooth the nail surface and finely finish the nail tip with the Sally Hansen La Cross Ceramic Nail File to help prevent cracks and splits.

**Cuticle Care.** Exfoliate cuticles and smooth nails in 60 seconds with Diamond Strength® Cuticle & Nail Refiner.

**Prep Nails.** Apply Diamond Strength® Instant Nail Hardener. Its micro-diamond formula stops nails from breaking.

**Color Nails.** Diamond Strength® No Chip Nail Color stops nails from breaking, plus you'll find colors inspired by the editors of Brides!

**Seal, Shine & Protect.** With nails that split and break you can never have too many Sally Hansen Diamond Strength® products. Diamond Shine Base & Top Coat gives you 100% pure shine with 10-day superior wear!

### Brittle & Peeling

**The Fix:** Special Care for Peeling Nails

**Groom.** Use tools that won't harm fragile nail surfaces, like Sally Hansen Cuticle Pusher and Shaper. Its smooth round tip gently pushes back cuticles and the flat tip shapes and cleans.

**Prep Nails.** Apply Sally Hansen Miracle Cure®. The exclusive Micro-Mineral formula stops nails from peeling—guaranteed!

**Color Nails.** Diamond Strength® No Chip Nail Color with its Micro Diamond formula virtually ends peeling, plus you'll find colors inspired by the editors of Brides!

**Seal, Shine & Protect.** Make your manicure last up to eight days with an amazing mirror-like shine from Sally Hansen Mega Shine® Top Coat.

**Cuticle Care.** Keep cuticles conditioned and dry nail color in 30 seconds with Sally Hansen Shea Butter Rapid Finish Nail Color Dryer.
